NOTE:

Please type your answers to the following questions on a separate sheet of paper.

GENERAL QUESTIONS

1. Please list, in order of importance to you, five (5) activities you participated in since your senior year of high school that meant most to you.
2. Please list all relevant employment that you have held since graduating from high school. Please include your employer, position, weekly hours worked, and dates of employment.
3. Please indicate any additional talents or skills you possess which the Scholarship Committee should consider.

ESSAY QUESTIONS

1. This is your opportunity to tell us about yourself. What would you most like the Scholarship Committee to know about you when reading your application?
2. If you had to choose a single adjective to describe yourself, what adjective would you select and why?
3. Briefly describe the factors that have influenced your interest in studying fire protection technology.

SCHOLARSHIPS, AWARDS, & HONORS

1. Please tell us about any scholarships or awards that you have received since your graduation from high school.

REFERENCES

Find the recommendation form attached to this application, make a copy and ask two professors to fill out separate recommendation forms. Both references should be from the Department of Fire Protection Engineering. Please have professors mail the recommendation directly to:

Center for Life Safety Education
Philip L. DeCamara, Jr. Memorial Scholarship Committee
12750 Merit Drive, Suite 350
Dallas, TX 75251

Mail completed scholarship applications to the address above as well. Please note that all applications and recommendation forms must be postmarked by April 1.
